FOOD & DRINKS

A dream becomes reality...

Hello, my name is Victorio, and since the end of April, my and our restaurant has been open - and with it, a long-held dream has come true: to create a place where people come together, enjoy good food, and simply feel good.

We are a modern bavarian "Wirtshaus" serving Southern German and Alpine cuisine. Our goal is to bring joy and create special moments with our offerings – for you, your loved ones, and all who enjoy good food.

We work hard to achieve this every day. If something doesn't meet your expectations, please let us know. This is the only way we can continually improve.

We're really looking forward to our first summer in the beautiful Dreimühlenviertel - and even more to welcoming you!

Nice to have you here!
